**Ordering the correct size**

Please note the complete product dimensions. The example shown is of a 16"x16" cushion part number LC1616. Please allow an additional 1 1/2" to the required seat depth for the rear cushion radius.

The rear cushion radius is a curved extension designed to maximise surface area and minimise the gap between seat and backrest; while stabilising fluid in tilted positions, with coccyx cut out for added relief.

**Features:**  
 Very High Risk  
 3 1/2" height  
 Anatomically contoured foam base Innovative dual layer fluid sac  
 Choice of 3 covers  
 Positioning accessories available  
 3 Year Warranty
